¹ The General Fund is utilizing \$2,500,000 in reserves to fund street repairs caused by Winter Storm Uri in February 2021. A \$5 million transfer will be done to create a new Special Revenue Fund, the Coronavirus Fund, which will contain the grant funds received from the Coronavirus State and Local Recovery Fund created by the American Rescue Plan Act as well as Coronavirus Relief Funds created by Coronavirus Aid, Relief, and Economic Security Act. Creating a separate fund will aid the City in keeping better accounting of these funds.

² The Debt Service Fund is where the interest and sinking portion of property taxes are held as they are received from the Bell County Appraisal District. In February and August of each year, the tax portion of the City's bond payments are paid from this fund.

³ Transfers into the Fixed Asset Fund are less than the amount planned for equipment and vehicle purchases in the 2022 fiscal year. The "Fixed Asset Fund" section provides a list of these purchases by department.

⁴ Major projects that will utilize the Capital Improvement Fund's fund balance include the 2021 Street Improvement Plan (Winter Storm 2021) which is being partially funded by the transfer from the General Fund mentioned above. Additional projects and their funding sources can be found in the "Capital Improvement" section.

⁷ An additional hotel will be opening in the City in April 2022 which should increase hotel occupancy taxes by the last quarter of the 2022 fiscal year.

⁸ The Restricted Court Fund's revenues are restricted to specific uses. As the City grows, we are able to find additional uses for these funds such as personnel, equipment, supplies, and equipment maintenance expenses that fit the required restrictions.

⁹ The Employee Benefit Trust Fund is a pass-through account for the collection and payment of insurance premiums. It was created in FY 2011 and the addition to fund balance is only accumulated interest income.

¹⁰ The Coronavirus Fund is a new fund being created this fiscal year. Transfers in of \$5 million is funding received and expected to be received prior to the end of the 2021 fiscal year. The City expects the remaining funding to be received by the end of FY 2022. Planning for use of these funds begin with this budgeting process.
