Carl Levin Park Community Garden
 400 Miller's Crossing

This is the original community garden in the extremely popular Carl Levin Park. Raised beds in these 36 plots (4 ft. x 8 ft.) allow for easy accessibility to your garden. 3 garden beds are open to plant crops that will be donated to people in need. Healthy soil is added to all beds. However, for best results we strongly encourage you to amend your soil.

Members of the Community Garden are given an exclusive combination to unlock the gate and enter the garden between sunrise and sunset. The garden provides access to water with hoses and a shed for storage of personal gardening tools.
