HOW TO PLAY PARKS & REC BINGO

Get out and play Harker Heights Parks & Rec BINGO with your family! Complete a Card and be entered in drawings in August. Wear your masks and maintain social distancing.

- 1. Complete activities on the Bingo Card between July 1 and July 31, 2020 in a park, your yard, or any other open space. Mark it off on your BINGO Card.**
- 2. Take a selfie while doing your activity and share with you friends and family.**
(You will submit these pictures with your entry.)
- 3. You need a BINGO to submit your card.** This is done by completing 5 squares in a row. **However, you can earn more entries by completing more squares!**
(By completing the whole board, you get 25 entries. That is one entry per square.)
- 4. Email a picture of your BINGO Card along with your pictures of your activities to atrujillo@harkerheights.gov.** By submitting photos of yourself, you agree to let the City of Harker Heights use your images. These images are for use in future brochures, flyers, presentations, advertisements, movies, or on the City's website and social media profiles.

Each completed square will get you one submission to win a variety of prizes. You must complete at least one BINGO (5 in a row). After a BINGO any number of other squares can be played for additional entries in drawings. After at least 5 are in a row, the rest do not need to be in order. Each square completed equals one entry in a drawing for various prizes and gift baskets in August (TBD).

For more information or questions please contact Adam Trujillo at atrujillo@harkerheights.gov or 254-953-5466.
