TERMS FOR SERVICE

The Applicant whose signature appears below applies to the Harker Heights Water Department for water service for the address listed above. Water service includes water, wastewater, drainage and sanitation services. He/She understands that a \$55 deposit is required in order to have residential service begun in their name; a \$200 deposit is required for commercial service. The Applicant agrees to pay for said service as bills are rendered in accordance with the rates, rules and regulations as provided by the Harker Heights Water Department. Bills include water and wastewater base and consumption fees as well as base fees for drainage and sanitation. It is the Applicant's responsibility to contact the Water Department to terminate services, otherwise the account will continue to be billed and the Applicant will be responsible for all charges.

The Applicant further agrees to release and discharge said Harker Heights Water Department from any liability for damages suffered (1) by reason of water furnished to the premises, (2) by reason of interruption, discontinuance or disconnection of service hereunder from any cause, or (3) by reason of the condition, maintenance, location or existence of any of the facilities, fixtures, or systems located on or adjoining the property supplied and by which such services are furnished or delivered.

IMPORTANT: For our mutual protection, we require someone to be present the day the water is scheduled to be connected. This is to avoid the possibility of flooding the home. If someone is not present when the water is connected, a second trip may be necessary to connect services. This will result in a \$25 fee added to the first bill.

No person(s) other than Water Department employees are authorized to turn water on or off. Penalty for violation is a fine of up to \$500.

There will be a \$30 charge on all returned checks.

If charges are not paid by the delinquent date a \$15 late charge will be added to the account.

I hereby apply for service in accordance with the terms above. I further understand that information provided on this application is necessary to provide me with the services necessary in support of this application and to contact me in case of a water emergency.
